## WARDROBES

Our wardrobe range is designed in a modular format so you can configure your robe exactly how you require it.

Robes are 2155 High x 580 Deep and sit on 100mm adjustable legs giving total height of 2255mm.

Ends are drilled for 2150mm full height doors and 1495mm door with 3 x 215mm external drawers below

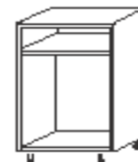

Divider, shelving, and internal drawer packs are easily added to your robe.

Supplied with Titus soft close hinges, with a little bit of adaption it is also easy for you to convert our robes to suit various sliding door options.
